The Chinese Government having (through the Hon. Anson Burlingame) conceded to this Company the privilege of connecting the great seaports of the Empire by submarine electric telegraph cable, we propose commencing operations in China, and laying down a line of nine hundred miles at once, between the following ports, viz:

	Population.
Canton	1,000,000
Macoa	60,000
Hong-Kong	250,000
Swatow	200,000
Amoy	250,000
Foo-Chow	1,250,000
Wan-Chu	300,000
Ningpo	400,000
Hang Chean	1,200,000
Shanghai	1,000,000
Total	5,910,000

These ports have a foreign commerce of $900,000,000, and an enormous domestic trade, besides which we have the immense internal commerce of the Empire, radiating from these points, through its canals and navigable rivers.

The cable being laid, this company proposes erecting land lines, and establishing a speedy and trustworthy means of communication, which must command there, as everywhere else, the communications of the Government, of business, and of social life especially in China. She has no postal system, and her only means now of communicating information is by couriers on land, and by steamers on water.

The Western World knows that China is a very large country, in the main densely peopled; but few yet realize that she contains more than a third of the human race. The latest returns made to her central authorities for taxing purposes by the local magistrate make her population *Four hundred and Fourteen millions*, and this is more likely to be under than over the actual aggregate. Nearly all of these, who are over ten years old, not only can but do read and write. Her civilization is peculiar, but her literature is as extensive as that of Europe. China is a land of teachers and traders; and the latter are exceedingly quick to avail themselves of every proffered facility for procuring early information. It is observed in California that the Chinese make great use of the telegraph, though it there transmits messages in English alone. To-day great numbers of fleet steamers are owned by Chinese merchants, and used by them exclusively for the transmission of early intelligence. If the telegraph we propose connecting all their great seaports, were now in existence, it is believed that its business would pay the cost within the first two years of its successful operation, and would steadily increase thereafter.

No enterprise commends itself as in a greater degree remunerative to capitalists, and to our whole people. It is of vast national importance commercially, politically and evangelically.

☞ The stock of this Company has been unqualifiedly recommended to capitalists and business men, as a desirable investment by editorial articles in the New York *Herald*, *Tribune*, *World*, *Times*, *Post*, *Express*, *Independent*, and in the Philadelphia *North American*, *Press*, *Ledger*, *Inquirer*, *Age*, *Bulletin* and *Telegraph*.

Shares of this company, to a limited number, may be obtained at $50 each, $10 payable down, $15 on the 1st of November, and $25 payable in monthly instalments of $2.50 each, commencing December 1, 1868, on application to

YOU ALL

HAVE HEARD OF

HOOFLAND'S GERMAN BITTERS,

AND

HOOFLAND'S GERMAN TONIC.

Prepared by Dr. C. M. Jackson, Philadelphia. Their introduction into this country from Germany occurred in

1825.

THEY CURED YOUR

FATHERS AND MOTHERS,

And will cure you and your children. They are entirely different from the many preparations now in the country called Bitters or Tonics. They are no tavern preparation, or any thing like one; but good, honest, reliable medicines. They are

The greatest known remedies for

Liver Complaint,
DYSPEPSIA,
Nervous Debility,
JAUNDICE,
Diseases of the Kidneys,
ERUPTIONS OF THE SKIN,

and all Diseases arising from a Disordered Liver, stomach, or

IMPURITY OF THE BLOOD.

Constipation, Flatulence, Inward Piles, Fullness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried or Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the sight, Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and Great Depression of Spirits.

All these indicate diseases of the Liver or Digestive Organs, combined with impure blood.

HOOFLAND'S GERMAN BITTERS

is entirely vegetable and contains no liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks from which these extracts are made, are gathered in Germany. All the medicinal virtueus are extracted from them by a scientific Chemist. These extracts are then forwarded to this country to be used expressly for the manutacture of these Bitters. There is no alcoholic substance of any kind used in compounding the Bitters, hence it is the only Bitters that can be used in cases where alcoholic stimulants are not advisable.

HOOFLAND'S GERMAN TONIC

is a combination of all the ingredients of the Bitters, with PURE Santa Cruz Rum, Orange, etc. It is used for the same diseases as the Bitters, in case where some pure alcoholic stimulus is required. You will bear in mind that these remedies are entirely different from any others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

DEBILITY.

There is no medicine equal to Hoofland's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the appetite, cause an enjoyment of the food, enable the stomach to digest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tinge from the eye, impart a bloom to the cheeks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigorous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These remedies are the best

Blood Purifiers

ever known and will cure all diseases resulting from bad blood. Keep your blood pure; keep your Liver in order, keep your digestive organs in a sound, healthy condition, by the use of these remedies, and no diseases will ever assail you. The best men in the country recommend them. If years of honest reputation go for anything, you must try these preparations.

FROM HON. GEO. W. WOODWARD,

Chief Justice of the Supreme Court of Pennsylvania.

PHILADELPHIA, March 16, 1867.

I find that "Hoofland's German Bitters" is not an intoxicating beverage, but is a good tonic, useful in disorders of the digestive organs, and of great benefit in cases of debility and want of nervous action in the system.

Yours Truly,
GEO. W. WOODWARD.

FROM HON. JAMES TAOMPSON.

Judge of the Supreme Court of Pennsylvania.

PHILADELPHIA, April 28, 1866.

I consider "Hoofland's German Bitters" a valuable medicine in case of attacks of Indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,
JAMES THOMPSON.

FROM REV. JOSEPH H. KENNARD, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

DR. JACKSON—DEAR SIR:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H. KENNARD,
Eigth, below Coates Street.

CAUTION.

Hoofland's German Remedies are counterfeited. The Genuine have the signature of C. M. Jackson on the front of the outside wrapper of each bottle, and the name of the article blown in each bottle. All others are counterfeit.

REGISTRY LAW.

AN ACT

Further supplemental to the act relative to the elections of this Commonwealth.

SECTION 1. *Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same,* That it shall be the duty of each of the assessors within this Commonwealth, on the first Monday in June of each year, to take up the transcript he has received from the county commissioners under the eighth section of the act of 15th April, 1834, and proceed to an immediate revision of the same, by striking therefrom the name of every person who is known by him to have died or removed since the last previous assessment from the district of which he is the assessor, or whose death or removal from the same shall be made known to him, and to add to the same the name of any qualified voter who shall be known by him to have moved into the district since the last previous assessment, or whose removal into the same shall be or shall have been made known to him, and also the names of all who shall make claim to him, to be qualified voters therein. As soon as this revision is completed he shall visit every dwelling house in the district and make careful inquiry if any person whose name is on his list has died or removed from the district, and if so to take the same therefrom, or whether any qualified voter resides therein whose name is not on his list, and if so to add the same thereto; and in all cases where a name is added to the list a tax shall forthwith be assessed against the person; and the assessor shall in all cases ascertain, by inquiry, upon what ground the person so assessed claims to be a voter. Upon the completion of this work, it shall be the duty of each assessor as aforesaid to proceed to make out a list, in alphabetical order, of the white freemen, above twenty-one years of age, claiming to be qualified voters in the ward, borough, township or district of which he is the assessor, and opposite each of said names state whether said freeman is or is not a housekeeper; and if he is, the number of his residence, in towns where the same are numbered, with the street, alley or court in which situated; and if in a town where there are no numbers, the name of the street, alley or court on which said house fronts; also, the occupation of the person; and where he is not a housekeeper, the occupation, place of boarding and with whom, and if working for another, the name of the employer, and write opposite each of said names the word "voter;" where any person claims to vote by reason of naturalization, he shall exhibit his certificate thereof to the assessor, unless he has been for five consecutive years next preceding a voter in said district; and in all cases where the person has been naturalized, the name shall be marked with the letter "N;" where the person has merely declared his intentions to become a citizen and designs to be naturalized before the next election, the name shall be marked "D. I.;" where the claim is to vote by reason of being between the ages of twenty-one and twenty-two, as provided by law, the word "age" shall be entered; and if the person has moved into the election district to reside since the last general election, the letter "R" shall be placed opposite the name. It shall be the further duty of each assessor as aforesaid, upon the completion of the duties herein imposed, to make out a separate list of all new assessments made by him and the amounts assessed upon each, and furnish the same immediately to the county commissioners, who shall immediately add the names to the tax duplicate of the ward, borough, township or district in which they have been assessed.

Sec. 2. On the list being completed and the assessments made as aforesaid, the same shall forthwith be returned to the county commissioners, who shall cause duplicate copies of said lists, with the observations and explanations required to be noted as aforesaid, to be made out as soon as practicable and placed in the hands of the assessor, who shall, prior to the first of August in each year, put one copy thereof on the door of or on the house where the election of the respective district is required to be held and retain the other in his possession, for the inspection, free of charge, of any person resident in the said election district who shall desire to see the same; and it shall be the duty of the said assessor to add, from time to time, on the personal application of any one claiming the right to vote, the name of such claimant, and mark opposite the name "C. V.;" and immediately assesses him with a tax, noting, as in all other cases, his occupation, residence, whether a boarder or housekeeper; if a boarder, with whom he boards; and whether naturalized or designing to be, marking in all such cases the letters, opposite the name, "N." or "D. I.," as the case may be; if the person claiming to be assessed be naturalized, he shall exhibit to the assessor his certificate of naturalization; and if he claims that he designs to be naturalized before the next ensuing election, he shall exhibit the certificate of his declaration of intention; in all cases where any ward, borough, township or election district is divided into two or more precincts, the assessor shall note in all his assessments the election precinct in which each elector resides, and shall make a separate return for each to the county commissioners, in all cases in which a return is required from him by the provisions of this act; and the county commissioners, in making duplicate copies of the names of the voters in each precinct, separately, and shall furnish the same to the assessor; and the copies required by this act to be laced on the doors of or on election places on or before the first of August in each year, shall be placed on the door of or on the election place in each of said precincts.

Sec. 3. After the assessments have been completed on the tenth day preceding the second Tuesday in October of each year, the assessor shall, on the Monday immediately following, make a return to the county commissioners of the names of all persons assessed by him since the return required to be made by him by the second section of this act, noting opposite each name the observations and explanations required to be noted as aforesaid; and the county commissioners shall thereupon cause the same to be added to the return required by the second section of this act, and a full and correct copy thereof to be made, containing the names of all persons so returned as resident taxables in said ward, borough, township or precinct, and furnish the same, together with the necessary election blanks, to the officers of the election in said ward, borough, township or precinct, on or before six o'clock in the morning of the second Tuesday of October; and no man shall be permitted to vote at the election on that day whose name is not on said list, unless he shall make proof of his right to vote, as hereinafter required.

Sec. 4. On the day of election any person whose name is not on the said list, and claiming the right to vote at said election, shall produce at least one qualified voter of the district as a witness to the residence of the claimant in the district in which he claims to be a voter, for the period of at least ten days next preceding said election, which witness shall take and subscribe a written, or partly written and partly printed, affidavit to the facts stated by him, which affidavit shall define clearly where the residence is of the person so claiming to be a voter; and the person so claiming the right to vote shall also take and subscribe a written, or partly written and partly printed affidavit, stating, to the best of his knowledge and belief, where and when he was born; that he is a citizen of the Commonwealth of Pennsylvania and of the United States; that he has resided in the Commonwealth one year, or if formerly a citizen therein and has moved therefrom, that he has resided therein six months next preceding said election; that he has not moved into the district for the purpose of voting therein; that he has paid a State or county tax within two years, which was assessed at least ten days before said election; and, if a naturalized citizen, shall also state when, where and by what court he was naturalized and, shall also produce his certificate of naturalization for examination; the said affidavit shall state when and where the tax claimed to be paid by the affiant was assessed, and when, where and to whom paid; and the tax receipt therefore shall be produced for examination, unless the affiant shall state in his affidavit that it has been lost or destroyed, or that he never received any; but if the person so claiming the right to vote shall take and subscribe an affidavit, that he is a native born citizen of the United States, (or if born elsewhere, shall state that fact in his affidavit, and shall produce evidence that he has been naturalized, or that he is entitled to citizenship by reason of his father's naturalization); and shall further state in his affidavit that he is, at the time of taking the affidavit, between the ages af twenty-one and twenty-two years; that he has resided in the State one year and in the election district ten days next preceding such election, he shall be entitled to vote, although he shall not have paid taxes; the said affidavits of all persons making such claims, and the affidavits of the witnesses to their residence, shall be preserved by the election board, and at the close of the election they shall be enclosed with the list of voters, tally list and other papers required by law to be filed by the return judges with the prothonotary, and shall remain on file therewith in the prothonotary's office, subject to examination, as other election papers are; if the election officers shall find that the applicant or applicants possess all the legal qualifications of voters, he or they shall be permitted to vote, and the name or names shall be added to the list of taxables by the election officers, the word "tax" being added where the claimant claims to vote on tax, and the word "age" where he claims to vote on age; the same words being added by the clerks in each case respectively, on the list of persons voting at such election.

Sec. 5. It sball be lawful for any qualified citizen of the district, notwithstanding the name of the proposed voter is contained on the list of resident taxables, to challenge the vote of such persons; whereupon the same proof of the right to suffrage as is now required by law shall be publicly made and acted on by the election board, and the vote admitted or rejected, according to the evidence; every person claiming to be a naturalized citizen shall be required to produce his naturalization certificate at the election before voting, except where he has been for ten years, consecutively, a voter in the district in which he offers his vote; and on the vote of such person being received, it shall be the duty of the election officers to write or stamp on such certificate the word "voted," with the month and year; and if any election officer or officers shall receive a second vote on the same day, by virtue of the same certificate, excepting where sons are entitled to vote by virtue of the naturalization of their fathers, they and the person who shall offer such second vote, upon so offending, shall be guilty of a high misdemeanor, and, on conviction thereof, be fined or imprisoned, or both, at the discretion of the court; but the fine shall not exceed one hundred dollars in each case, nor the imprisonment one year; the like punishment shall be inflicted on conviction of the officers of election who shall neglect or refuse to make, or cause to be made, the indorsement required, as aforesaid, on said naturalization certificate.

Sec. 6. If any election officer shall refuse or neglect to require such proof of the right of suffrage as is prescribed by this law, or the laws to which this is a supplement, from any person offering to vote whose name is not on the list of assessed voters or whose right to vote is challenged by any qualified voter present, and shall admit such persons to vote without requiring such proof, every person so offending shall, upon conviction, be guilty of a high misdemeanor, and shall be sentenced, for every such offence, to pay a fine not exceeding one hundred dollars, or to undergo an imprisonment not more than one year, or either or both, at the discretion of the court.

Sec. 7. Ten days preceding every election for elections of President and Vice President of the United States, it shall be the duty of the assessor to attend at the place fixed by law for holding the election in each election district, and then and there here all applications of persons whose names have been omitted from the list of assessed voters, and who claim the right to vote, or whose rights have originated since the same was made out, and shall add the names of persons thereto as shall show that they are entitled to the right of suffrage in such district, on the personal application of the claimant only, and forthwith assess them with the proper tax. After completing the list, a copy thereof shall be placed on the door of or on the house where the election is to be held, at least eight days before the election, and at the election the same course shall be pursued, in all respects, as is required by this act and the acts to which it is a supplement, at the general elections in October. The assessor shall also make the same returns to the county commissioners of all assessments made by virtue of this section; and the county commissioners shall furnish copies thereof to the election officers in each district, in like manner in all respects as is required at the general election in October.

Sec. 8. The same rules and regulations shall apply at every special election, and at every separate city, borough or word election, in all respects, as at the general elections in October.

Sec. 9. The respective assessors, inspectors and judges of the elections shall each have the power to administer oaths to any persons claiming the right to be assessed or the right of suffrage, or in regard to any other matter or thing required to be done or inquired into by any person in relation to any matter or thing concerning which they shall be lawfully interrogated by any of said officers, shall be punished as perjury.

Sec. 10. The assessors shall each receive the same compensation for the time necessarily spent in performing the duties hereby enjoined as is provided by law for the performance of their other duties, to be payed by the county commissioners as in other cases; and it shall not be lawful for any assessor to assess a tax against any person whatever within ten days next preceding the election to be held on the second Tuesday of October, in any year, or within ten days next before any election for electors of President and Vice President of the United States; any violation of this provision shall be a misdemeanor, and subject the officers so offending to a fine, on conviction, not exceeding one hundred dollars, or to imprisonment not exceeding three months, or both, at the discretion of the court.

Sec. 11. THE REGISTRY LAW.

We publish, in this issue, the piece of infernal deviltry, enacted by the last legislature, known as the Registry Law. We hope every active Democrat will carefully study its provisions, and prepare for the work which it imposes upon the people. Democratic Assessors and Election Officers, especially, should acquaint themselves thoroughly with its character.

It will be observed that this law levels a severe blow at the rights of naturalized citizens. It makes a broad distinction between that class and native citizens. Every naturalized voter must produce his papers to the Assessor and to the Election boards, and the latter are required to stamp upon them the word "voted," with the date at which the vote was given. The only exception is where such citizens have been voters in the district in which they offer to vote, during five consecutive years. In such case the Assessor will put their names upon his list without requiring the exhibition of their papers. They must, however exhibit their papers to the election board, unless they have been ten consecutive years voters in the district. It is, therefore, highly important that naturalized citizens who have lost their papers, at once take steps to have them renewed, otherwise they will lose the rights of American citizens. Let this matter be looked after by our alien born friends, and we would suggest that the active Democrats in each district make it their business to see that naturalized citizens are informed concerning this law and that they obtain the necessary papers. Meanwhile, if there is a foreign-born citizen who is willing to swallow the Registry dose prescribed for him by the radical party, let him remain disfranchised, as he deserves to be.

This radical scheme to disfranchise and hamper the people in the exercise of the right of suffrage, will cost Bedford county at least $2,000 and perhaps $3,000.

It will not prevent frauds, for the same thing has been tried in other states and has proved a complete failure. It is in force in New York, and yet the radicals themselves claim that immense frauds are committed at the elections in that state. Besides it is unconstitutional. It will not be brought before the Supreme Court, this year, because two of the Judges, Read and Agnew, controlled by partizan influences, last year placed themselves on record in its favor, and the third one, Williams, will be the radical nominee for re-election this fall. With a court thus constituted, what hope would there be for a just and impartial decision? The only remedy that remains, is for the people to organize for the election of a Governor and Legislature which will undo this wicked work. Shall it be done?

THE RIGHT SPIRIT.

We are glad to notice that the Democratic press speaks in no uncertain tone in regard to the fraud which the radicals are now engaged in perpetrating. The right of the people to control the elective franchise, a right reserved to them at the formation of the government, is about to be taken from them without their consent. The XVth Amendment is to be fraudulently adopted, through the compulsion of Virginia, Texas and Mississippi, at the point of the bayonet, and without submitting it to a popular vote in any of the Northern States. Thus fraud and force are employed by the radicals to accomplish their infamous plans. Shall we submit to the consummation of this outrage upon civil liberty and popular rights? Shall we submit and acknowledge ourselves the willing vassals of the corrupt oligarchy which now rules this country? For one, we say, NO, NEVER! The battle for the restoration of the government of our fathers, must come sooner or later. It might as well begin now. Let the Democratic party but say, with one voice, *this wicked thing shall not be done*, and it will not be done. In this connection we commend the following from the Titusville *Star*, as having "the ring of the true metal":

"The adoption of this XVth Amendment would be a long stride towards consolidation, for it would strip from the several States the right to control the question of suffrage within their respective borders, a question over which they should most certainly have control for the safety and honor of the State. The Republicans of Rhode Island take this view of it, and we don't believe that the discipline of party will be sufficiently strong to force them into the adoption of the Amendment. A large majority of the people of three-fourths of the States and perhaps more, would repudiate the whole scheme, if they could in any way get at the question. The leading radicals wish to hurry it through before the people can have an opportunity to act. But we honestly believe that if the States are to be broken down and destroyed by that child of their own creation—the general government—it must be effected by the bloodiest revolution of which we have any record in the history of the world. This may be scouted at as mere talk. But we do not believe the spirit of liberty is entirely extinguished in this boasted land of freedom yet. We believe there is enough of it left in the people to meet this thing as it ought to be met."

WHAT do those "Republicans" who signed remonstrances against the ratification of the XVth Amendment, think of the course of the Radical legislature in ratifying that Amendment in defiance of the remonstrances of their constituents? Numbers of "Republicans" in this county signed such remonstrances, and earnestly protested against the snap judgment by which Pennsylvania was made to endorse the Amendment. But Stutzman, Weller and Longenecker treated their appeal with contempt. They were bound in the leash of Ben. Butler & Co., and could not carry out the will of their constituents. The "Republican" remonstrants, thus deliberately insulted by their representatives in the legislature, are now left the alternative of pocketing the insult, or voting the Democratic ticket. The leaders in Bedford consider them "suspicious characters," and already talk of them as "half Democrats." They are never more to be trusted by the Tycoons of the party and the cold shoulder is to be given them generally. We look, with some degree of anxiety, to the position these proscribed "Republicans" will take in the coming campaign. We have a list of them which we shall keep for our own satisfaction, just to see who among them are honorable, consistent, and independent men, and who, if any, will cowardly kiss the hand that smites them.

THE new assignments of officers of the army to duty, refer to military departments and districts as if the country were in a state of war, and was subdivided no longer into political states, but merely into great military divisions under the orders of the Commander-in-chief in the chair of the President. Thus, one officer is ordered to the Division of Missouri, another to the Department of the East, a third to the Department of Dakotah, and a fourth to the Division of the Atlantic. How long will it be until the rude phraseology of war shall be dropped? There are no longer any great military departments occupied by vast armies, or overrun by provost marshals and recruiting sergeants. Good taste and good sense require that the high sounding lists of military departments and divisions should not be pompously paraded in army orders before the people. With an army of less than fifty thousand men in a nation of forty millions of peaceful inhabitants, this dividing of the country into grand military divisions is ridiculous. The divisions of this country are the political ones of States, counties and territories, and not military departments which are practically of no more use than the shining epaulet or gold lace, but may amuse the vanity of the soldier. Let us have peace!

A GUSHING radical orator at the Cuban sympathy meeting in New York, the other night, appealed to the people to save Cuba from falling into the barbarism of San Domingo. In his zeal the orator forgot himself. Are there not two lovely radical republics on the fair island of San Domingo? One of them is composed of half breeds presided over by the illustrious Baez, and the other is a republic of pure blooded negroes whose President is Salnave. These two republics are waiting to be admitted to the Union, to furnish radicalism with four more Senators and that number of Congressmen. Banks and his Committee on Foreign Affairs are about to pay a visit of courtesy to their brother republicans of Hayti, and yet this radical orator talks about the "barbarism of San Domingo."

ON the first page will be found the infamous Registry Law passed by the late infamous legislature of this state. The sections which pertain exclusively to elections in the city of Philadelphia we do not publish. Let every voter, "Republican" and Democrat, read this outrageous and expensive system of exercising the right of suffrage, and then remember that it was concocted and brought about by a radical legislature to hamper and harass the white freemen of the Keystone state.

LEGAL ADVERTISING.—The law requiring legal advertisements, such as Executors' and Administrator's Notices, Orphan's Court Sales, Auditors' Notices, &c., to be published in the two papers having the largest circulation, has been changed. As the law now stands, it requires the publication of all legal notices in *two papers, one of each political party*. Of course this makes the GAZETTE one of the mediums through which all such advertising must be done. Administrators, Executors, Auditors, &c., will please take notice. w3

The Boston Temperance Alliance has invited Wm. B. Spooner to resign the Presidency of the organization, because he favors the exemption of cider and lager beer from the prohibitory liquor law.

A committee of prominent business men in St. Louis has been appointed to go to New Orleans for conference in regard to the grain movement now on foot.

PHILADELPHIA.

[Correspondence of the Bedford Gazette.]

PHIL'A., May 5th, 1869.

MENDELSSOHN.

We left off last, as we were putting on our hat and gloves for the Musical Fund Hall, where the Mendelssohn Society were to give the third grand concert for the season. When this society says the concert will be grand, you will feel it all through you!! I missed the first piece—the reason, you know, it takes a lady *so* long to put on her bonnet and gloves—but the next was from the Old Master himself, solo and full orchestra, the first by Miss Fannie Keine. We were carried by storm by Mrs. Goodman and Miss Orlina Cunnington. The latter sings with great effect, and was so pretty and dressed so beautifully simple, that you could not resist her power. We believe that there are parlors in this city that have as sweet nightingales as ever came across the sea, nor do we think that everything is the best thing because it is foreign. The selections were all from the best masters, and the corps of artists of high order. The concert was enjoyed by a large and enthusiastic audience. The musical director, Mr. Jean Louis, was complimented with a speech and beautiful testimonial, the latter from the ladies, of course.

RED MEN.

This order is getting up a parade for the 12th inst. Since the late one by the Odd Fellows, quite a spirit has been aroused in this direction, and we shall expect to see something fancy, as the Red Men go in for fun, finery, fancy and frolic, while we will wait with wonder, watching what will proceed from pensively puffing the pipe of peace. This order is the oldest in the United States except the Masonic. The parade is in honor of the birth of Tammany, the Indian chief.

THE RINK,

on Race and 20th st., was burned last Thursday night. Its capacity exceeded that of any other building in the city. It was here the Odd Fellows held their ball, and Gough was to have lectured this week at 10 cents per head, expecting to have an audience of ten thousand. It has been used for a velocipede riding school, and had been in use on the night of the fire. The loss is very heavy, but as it was owned by a company and partly covered by insurance, can easily be rebuilt. Its dimensions were 150 feet by 300 feet.

LINCOLN MONUMENT.

The trouble is where to put it. Not that ground is scarce, but the up and down towners each want it to grace their own section. Now, as Washington is also to have a statue, let us take the vote, so each has its share of honor. We would rather see Father Abraham in the White House to-day than standing on a marble base, and better would it be for the integrity and happiness of our country.

THESE NOTES

are stopped on the sudden. Our old friend Jere E. Black, of Schellsburg, drops in on us, and we throw away pen, paper and upset our ink bottle and lay back for an old-fashioned talk.—Pipes for two. Load them heavy and strike a match. Mr. Editor allow me to say, for the present, adieu,

LINDEN.

CRUELTY TO ANIMALS.—The act passed by the last Legislature of our State to prevent cruelty to animals will commend itself to general approval. It provides for the punishment of any person who shall wantonly or cruelly ill-treat, overload, beat, or otherwise abuse any animal, whether belonging to himself or to another, or who shall in any way be concerned in fighting or baiting any bull, bear, dog, cock or other creature. The abandonment in any public place of any maimed, sick, infirm or disabled creature is also to be punished. The penalty for disobeying the law is for the first offence a fine not less than ten nor more than twenty dollars, and for the second, and every subsequent offence not less than twenty nor more than fifty dollars. The informer is made a competent witness and receives one half of the fine, and the county where the offence may be committed the other half. The proceedings are summary, and the offender, in default of payment of the fine and costs can be committed to the county prison until discharged by due course of law, which amounts to the three months required under the insolvent laws. When the fine exceeds ten dollars, the defendant may appeal to the Court of Quarter Sessions, where the offence is to be prosecuted as a misdemeanor. In aggravated cases, the defendant may be bound over for trial at the Quarter Sessions, where on conviction, he is liable to a fine not exceeding two hundred dollars, or to an imprisonment not exceeding one year, or to both. The necessary expenses of taking charge of animals transported in an inhuman manner, or of removing and destroying disabled creatures, can be recovered from the owner in a suit at law.

MARVELOUS INDUSTRY.—It is scarcely necessary at this day to say anything in praise of *Webster's Unabridged Quarto Dictionary*, 1840 pages, and 3000 engravings. Having come into possession of a copy of the latest edition, we cannot refrain from expressing our admiration at the marvelous industry and learning which such a book must have called into demand. In the book line, this Dictionary deserves a place among the triumphs of the century. The publishers' part of this ponderous volume has been done with a beauty and substantialness which also deserve special commendation. "Reading the Dictionary," with this edition of Webster before you, is exceedingly interesting pastime. A copy of it must certainly be considered to belong to the appointments of every intelligent family. Its cost is $12, but it is cheap at that price.—*Moravian.*

Extract of a letter from Jerusalem.

"We started early to ascend Mt. Olivet, to behold the sun gild the minarets and towers of the devoted city, from the place where memory, stirred by a thousand associations should exalt the mind as well as the eye to the inspiration of the scene. Well is the voyager repaid for long travels, horrid roads, antediluvian cookery, squallid companionship and the importunities of begging, thieving Arabs. Well would it have repaid you, oh! man of commerce and the crucible! and well might you been reminded of your own city, for here nailed against one of the hugh ancient olive trees, under which the sacred martyrs toiled for the sins of the world, eighteen hundred years ago, were these familiar figures, S. T. 1860—X. We do not know who did it, but no doubt some poor invalid traveler, cured by the Plantation Bitters, wished to advertise their virtues in a place from whence all knowledge flows."

The only sure remedy for gaps in young fowls, is Heckerman's Poultry Cure.

The organ-grinder was in town the other day. His occupation's nearly gone—*ausgespeilt.*

A number of houses have received a new coat of paint and are looking as bright as new.

COUNTY SUPERINTENDENTS.—J. B. Holland has been elected County Superintendent in Blair county; W. H. Sanner in Somerset, and W. P. Gordon in Fulton.

A law was passed by the Legislature, requiring all persons who sell patent rights, to get a license from the Commissioners of each county. A heavy penalty is incurred by disregarding the law.

We saw the other day a car load of corn brought to this place by a train of ten wagons. It had been shipped to Mt. Dallas from Pittsburg. This is rather bad for Bedford with plenty of corn in her graneries.

If you desire to purchase a first class article of goods, at a price to suit the times, go to Hartly & Metzger's store. None but the best of goods sold, and no misrepresentations made. We know this to be so.

J. M. Cooper, Esq. of the Chambersburg *Valley Spirit*, dropped into our sanctum on Monday morning, looking as hale as in the days of "Auld Lang Syne." May he long live to do battle against radicalism !"

The Bedford *Gazette* rejoices in the occupancy of a three story brick office. The *Inquirer* office, immediately adjoining, has more *stories* in it than you can shake a stick at.—*Hollidaysburg Standard.*

Jes so, Bro. Traugh. Call and see us. Soda water for two.

IT FADES.—The beautiful violet ink so much in vogue at present eventually disappears entirely. Persons should be careful not to use it in writing notes, bonds, mortgages or anything that is to be preserved any great lenght of time. For these purposes good black ink is always the best.

Our readers should remember that Irvine's store, No. 2 Anderson's Row, is the place to buy good boots and shoes and buy them, too, at reasonable prices. Irvine drives his business and does not suffer his business to drive him. Call and see him.

ROBERRY.—The store room of Mr. Richard Langdon, at Riddlesburg, was robbed last week by some villian who gained entrance by breaking open the bars which secured the cellar-door. The money drawer was opened and a pocket-book containing about $56, the most of it in notes, were stolen.

LARGE TAPE WORM.—Sometime since a little girl living in the family of Mr. Hertz Keiser, manifested frequent evidence of indisposition. A few days ago Dr. Brubaker was called to see her and from the symptoms pronounced it tape-worm, and prescribed accordingly. About twelve hours after taking the medicine, she was relieved of a tape-worm 18 *feet in length*, and is now doing well.—*Somerset Democrat.*

Somerset has a sensation—nobody killed, nobody runaway—its only a Velocipede. Say, you Bedford fellows, are you *ever* going to get a velocipede? —*Somerset Democrat.*

Not if we can help it. We are too busy, just now, hunting up our spare change to build a railroad. In the meantime your folks may get astraddle, paddle and skedaddle.

Later—by Velocipedegram. The "masheen" has "arrive." The little boys "laugh to see the sport" of overgrown youths tumbling over the moon-shaped means of locomotion of the villainous velocipede. Everybody is excited, and we can't write locals.

A CARD.—*To the Democratic Voters of Bedford County.* Gentlemen:—I hereby respectfully withdraw my name as a candidate for nomination for County Tresurer. To my friends who have seen proper to urge my claims for that office, I am very thankful; and if at some future time I shall offer myself as a candidate, I trust to merit their support. H. F. IRVINE.

BEDFORD May 14.

SPRING ELECTIONS ABOLISHED.—The 15th section of the Registry Act, published on the first page of to-day's paper, changes the time of electing city, ward, borough, township and election officers; and hereafter, those officers will be ballotted for on the same day in October on which the general election is held. No election, however, will be held for assessor and assistant assessors until the October election, in 1870.

HORSES Stolen.—Two horses, belonging to Mr. Neff and Mr. Hugh Johnston, of Greentree, this county, were stolen on Saturday night, the 24th ult. The thieves were pursued and overtaken on Monday night near Coplin's hotel, about ten miles from Philipsburg. The thieves made good their escape by jumping from the horses and taking to the woods.—*Huntingdon Globe.*

CASH OR PRODUCE.—H. F. Irvine, of the Regulator, has determined to sell for cash or produce only, after the 1st day of June, next. In other words, he has adopted the Cash System. Irvine is an enterprising merchant and deserves to be sustained in this new enterprise, especially as he promises to sell goods from 10 to 15 per cent cheaper than he could do under the credit system. See his advertisement under head of "New Advertisements."

VELOCIPEDES.—Bedford has been relieved from the dignity of dullness.

She has a velocipede—a real genuine Yankee velocipede—in fact, four of them!

Think of it! Four velocipedes in Bedford, the town ablaze with amaze, and the reservoir only half full of water.

"Can these things be and overcome us?"

Yea, they can; for the velocipede overcometh muchly.

We saw it overcome a young friend of ours, greatly to the disparagement of his trowserloons.

"See what a rent the envious Casca made!"

The velocipede has come; it has been seen by a curious throng, but at the present writing it has not been conquered by any yeoman, or any other man, in this bailiwick. Not by a big jug full.

This is a progressive age but a velocipede takes up a progressive iedea and scatters it all over the floor. It won't entertain a notion adverse to its idea of locomotion.

Velocipedes are not to be trifled with. They knock the pins out from under you while you are trying to coax them into go-ahead-itiveness.

Cruel, inanimate animule!

Snooks, who has been to see it, says the velocipede is too juvenile to travel. It can't stand alone. Snooks is disgusted.

Hezekiar's experience with his famous floppin' machine was not more disastrous to that ambitious individual, than the repeated attempts of some fellows we wot of, to ride the vicious velocipede.

They flopped. And great was the bone-aching thereof.

We hear strange tales about velocipedism. A velocipede is to be purchased for the use of candidates. They expect to go it faster.

"Our" member is to get on it, and hopes to secure a re-nomination to Congress in that way.

He is going around by the post office. It is a near cut—a cut off your nose.

Velocipedes and skating are too many for us. We tried the latter once, and in a second we were on our back studying astronomy.

We saw more stars in five minutes than we ever beheld with the naked eye before. It was a glorious sight, but we never felt inclined to repeat.

Velocipedes are a big thing on ice—Skating is ditto.

THE POST OFFICE AGAIN.—To show what John Cessna's conduct in the post office embroglio, in this place, is thougt of by our neighbors, we clip the following from our exchanges:

We cannot understand how a man can ask the people to be allowed to represent them, and *promise* to *represent* them, and then turn around and *misrepresent* them. It has become too common within the last few years, for our Senators and Representatives after election, to entirely ignore their constituents, and engineer in their own interests, for a *renomination*. In fact it is becoming *unbearable* and the only way to put an end to the evil, is, for the organs of the party, to denounce such outrages. This matter has been brought home to us in our own district. In the town of BEDFORD, the citizens ballotted for the postmastership of that place, and decided in favor of Mr. Russell. We know nothing personally of Mr. Russell, but take it for *granted*, that he is a gentleman well *qualified* for the position, or the citizens would not have selected him; but what was the result of the peoples' expression. In place of carrying out the will of the citizens of Bedford, our Representative, Hon. John Cessna, had MAJOR WASHABAUGH, appointed postmaster, and Mr. Russell, set aside. This we deem an outrage, that admits of no palliation. Who is Major Washabaugh, that he must be thrust upon the citizens of Bedford, to the exclusion of Mr. Russell? Why, sir, he is a worn out politician, who has had an eye open for office ever since he came to Majority, and who has never had sufficiently the confidence of the people but once, to secure their support. What was the object of Mr. Cessna, in *misrepresenting*, the people of Bedford, by the appointment of Washabaugh? It is well known that Major Washabaugh heretofore has been the inveterate *politeat enemy* of John Cessna. Mr. Washabaugh therefore became Mr. Cessna's supporter last fall because he thought he might be fed from the crumbs that fell from the "rich man's table." Major Washabaugh no doubt was promised Mr. Cessna's support for the State Senate, but not succeeding it became necessary for John Cessna to give him this office to keep him in trim for 1870. If Hon. John Cessna expects to pave the way for his *renomination* and election, by putting men in positions against the will of the people,—men who do not retain the confidence of the Republican party, he will find that he has made a great mistake.

Mr. Cessna should remember that he was *barely* elected after great efforts by those who were his *first* supporters, and that he was expected to make a *faithful* representative and would carry out the will of his constituents.—Thus far he has entirely failed, and unless his conduct hereafter comports more with the will of the people, those who were his strongest supporters, will entirely ignore him. One of the strongest supporters Mr. Cessna had last fall was Jere Cook of the 'Repository' and his strongest foe previous to the *nomination* was Ed Scull of Somerset. Yet the other day, Ed Scull, was supplied with a *good fat office, if he would support him in* 1870, *we suppose*, and Mr. Cook was left out in the "cold." We do not know that Mr. Cook was an applicant, but he should have received the appointment without asking for it.

If Mr. Cessna desires a *re-nomination* we know of no better way of *getting* it than carrying out the *expressed will of the people*, but if he thinks he can do it by any other course he is perfectly welcome to try it.—*Fulton Republican.*

The town of Bedford affords a striking example of the manner in which the radical office-holders regard the will of the people, even the radical people. The people of Bedford held an election for postmaster at that place, and the choice resulted in a Mr. Russell, former clerk in the office, by nearly two hundred majority. It was therefore considered by all parties that Mr. Russell's appointment was a foregone conclusion. But John Cessna, disregarding the expressed will of his own party friends, had a Mr. Washabaugh appointed. Cessna's record is known to all, and the people who voted for him should not complain if he ignores them in the distribution of his official patronage.—*Somerset Democrat.*

The Bedford *Gazette* charges that somebody else than the Postmaster at Bedford, outside of the Post Office altogether, is to receive *three hundred dollars per annum* out of the proceeds of the office. Who is the lucky fellow? Is it some vigorous rival of the winning man? Or have the Post Offices in the District been farmed out?" It cannot be the latter, for our Congressman is too *pure* for that. At any rate, *twelve hundred dollars* for the term on *one* Post Office, is a sum "not to be sneezed at."—*Valley Spirit.*

THE NEW NICKEL COINS.—The denomination of the new coins are to be one, three and five cents, and they are to be composed of one-fourth nickel and three fourths copper. The one cent coin is to weigh a grain and a half, and will be about the size of the five cent silver coin, which some of the existing inhabitants of the United States will recollect to have seen. The three and five cent pieces are to be about the size of the one and two cent coppers now in use, and will weigh respectively three and five grains. The new coin is to be legal tender for a dollar, except for duties on imports, and all the existing nickel and copper coins will be withdrawn.

WHO CAN CAST THE FIRST STONE?—It is a great misfortune to have a disposition that carries cold and dampness wherever you go; but unless some-body tells you of it, and you are put upon an examination of yourself, and led to say, "is my taste so exacting, is my pride so exacting, that when I go where people are it is as if a frost had fallen on them?" you will never suspect it, nor take steps to remedy it.

LET EVERY MAN, WOMAN AND CHILD READ THIS!

Their own interests are at stake in this matter. Everybody has suffered so much from the accursed CREDIT SYSTEM, if system it can be called, that I intend to offer to everybody a panacea for the evil in the future.

On and after the first day of June, 1869, I will sell goods EXCLUSIVELY FOR CASH OR PRODUCE. No doubt some customers may be lost to me, but I flatter myself that it will be only those from whom I cannot collect present accounts.

All goods will be sold at about one-half the profit now pa'd by consumers. The people often complain of Bedford prices being higher than elsewhere, and it is doubtless true, to some extent, for the reason that good customers have had to pay for others' goods with an additional profit on their own.

Let an intelligent community sustain me in this enterprise and they WILL SAVE FROM TEN TO FIFTEEN PER CENT. ON EVERYTHING THEY CONSUME.

may14m3 H. F. IRVINE.

NOTICE.—All accounts not settled by the first day of June, 1869, either by cash or note, will be put in the hands of an officer for collection. Friends will please take notice, and by so doing will save trouble and costs.

COLBURN'S PATENT

RED JACKET AXE.

Is better than our regular shaped Axes for these reasons. First—It cuts deeper. Second—It don't stick in the Wood. Third—It does not jar the hand. Fourth—No time is wasted in taking the Axe out of the cut. Fifth—With the same labor you will do one-third more work than with regular Axes. Red paint has nothing to do with the good qualities of this Axe, for all our Axes are painted red. If your hardware store does not keep our goods, we will gladly answer inquiries or fill your orders direct, or give you the name of the nearest dealer who keeps our Axes.

THE REGISTRY LAW.

We publish, in this issue, the piece of infernal deviltry, enacted by the last legislature, known as the Registry Law. We hope every active Democrat will carefully study its provisions, and prepare for the work which it imposes upon the people. Democratic Assessors and Election Officers, especially, should acquaint themselves thoroughly with its character.

It will be observed that this law levels a severe blow at the rights of naturalized citizens. It makes a broad distinction between that class and native citizens. Every naturalized voter must produce his papers to the Assessor and to the Election boards, and the latter are required to stamp upon them the word "voted," with the date at which the vote was given. The only exception is where such citizens have been voters in the district in which they offer to vote, during five consecutive years. In such case the Assessor will put their names upon his list without requiring the exhibition of their papers. They must, however exhibit their papors to the election board, unless they have been ten consecutive years voters in the district. It is, therefore, highly important that naturalized citizens who have lost their papers, at once take steps to have them renewed, otherwise they will lose the rights of American citizens. Let this matter be looked after by our alien born friends, and we would suggest that the active Democrats in each district make it their business to see that naturalized citizens are informed concerning this law and that they obtain the necessary papers. Meanwhile, if there is a foreign-born citizen who is willing to swallow the Registry dose prescribed for him by the radical party, let him remain disfranchised, as he deserves to be.

This radical scheme to disfranchise and hamper the people in the exercise of the right of suffrage, will cost Bedford county at least $2,000 and perhaps $3,000.

It will not prevent frauds, for the same thing has been tried in other states and has proved a complete failure. It is in force in New York, and yet the radicals themselves claim that immense frauds are committed at the elections in that state. Besides it is unconstitutional. It will not be brought before the Supreme Court, this year, because two of the Judges, Read and Agnew, controlled by partizan influences, last year placed themselves on record in its favor, and the third one, Williams, will be the radical nominee for re-election this fall. With a court thus constituted, what hope would there be for a just and impartial decision? The only remedy that remains, is for the people to organize for the election of a Governor and Legislature which will undo this wicked work. Shall it be done?

THE RIGHT SPIRIT.

We are glad to notice that the Democratic press speaks in no uncertain tone in regard to the fraud which the radicals are now engaged in perpetrating. The right of the people to control the elective franchise, a right reserved to them at the formation of the government, is about to be taken from them without their consent. The XVth Amendment is to be fraudulently adopted, through the compulsion of Virginia, Texas and Mississippi, at the point of the bayonet, and without submitting it to a popular vote in any of the Northern States. Thus fraud and force are employed by the radicals to accomplish their infamous plans. Shall we submit to the consummation of this outrage upon civil liberty and popular rights? Shall we submit and acknowledge ourselves the willing vassals of the corrupt oligarchy which now rules this country? For one, we say, NO, NEVER! The battle for the restoration of the government of our fathers, must come sooner or later. It might as well begin now. Let the Democratic party but say, with one voice, *this wicked thing shall not be done*, and it will not be done. In this connection we commend the following from the Titusville *Star*, as having "the ring of the true metal":

"The adoption of this XVth Amendment would be a long stride towards consolidation, for it would strip from the several States the right to control the question of suffrage within their respective borders, a question over which they should most certainly have control for the safety and honor of the State. The Republicans of Rhode Island take this view of it, and we don't believe that the discipline of party will be sufficiently strong to force them into the adoption of the Amendment. A large majority of the people of three-fourths of the States and perhaps more, would repudiate the whole scheme, if they could in any way get at the question. The leading radicals wish to hurry it through before the people can have an opportunity to act. But we honestly believe that if the States are to be broken down and destroyed by that child of their own creation—the general government—it must be effected by the bloodiest revolution of which we have any record in the history of the world. This may be scouted at as mere talk. But we do not believe the spirit of liberty is entirely extinguished in this boasted land of freedom yet. We believe there is enough of it left in the people to meet this thing as it ought to be met."

WHAT do those "Republicans" who signed remonstrances against the ratification of the XVth Amendment, think of the course of the Radical legislature in ratifying that Amendment in defiance of the remonstrances of their constituents? Numbers of "Republicans" in this county signed such remonstrances, and earnestly protested against the snap judgment by which Pennsylvania was made to endorse the Amendment. But Stutzman, Weller and Longenecker treated their appeal with contempt. They were bound in the leash of Ben. Butler & Co., and could not carry out the will of their constituents. The "Republican" remonstrants, thus deliberately insulted by their representatives in the legislature, are now left the alternative of pocketing the insult, or voting the Democratic ticket. The leaders in Bedford consider them "suspicious characters," and already talk of them as "half Democrats." They are never more to be trusted by the Tycoons of the party and the cold shoulder is to be given them generally. We look, with some degree of anxiety, to the position these proscribed "Republicans" will take in the coming campaign. We have a list of them which we shall keep for our own satisfaction, just to see who among them are honorable, consistent, and independent men, and who, if any, will cowardly kiss the hand that smites them.

THE new assignments of officers of the army to duty, refer to military departments and districts as if the country were in a state of war, and was subdivided no longer into political states, but merely into great military divisions under the orders of the Commander-in-chief in the chair of the President. Thus, one officer is ordered to the Division of Missouri, another to the Department of the East, a third to the Department of Dakotah, and a fourth to the Division of the Atlantic. How long will it be until the rude phraseology of war shall be dropped? There are no longer any great military departments occupied by vast armies, or overrun by provost marshals and recruiting sergeants. Good taste and good sense require that the high sounding lists of military departments and divisions should not be pompously paraded in army orders before the people. With an army of less than fifty thousand men in a nation of forty millions of peaceful inhabitants, this dividing of the country into grand military divisions is ridiculous. The divisions of this country are the political ones of States, counties and territories, and not military departments which are practically of no more use than the shining epaulet or gold lace, but may amuse the vanity of the soldier. Let us have peace!

A GUSHING radical orator at the Cuban sympathy meeting in New York, the other night, appealed to the people to save Cuba from falling into the barbarism of San Domingo. In his zeal the orator forgot himself. Are there not two lovely radical republics on the fair island of San Domingo? One of them is composed of half breeds presided over by the illustrious Baez, and the other is a republic of pure blooded negroes whose President is Salnave. These two republics are waiting to be admitted to the Union, to furnish radicalism with four more Senators and that number of Congressmen. Banks and his Committee on Foreign Affairs are about to pay a visit of courtesy to their brother republicans of Hayti, and yet this radical orator talks about the "barbarism of San Domingo."

ON the first page will be found the infamous Registry Law passed by the late infamous legislature of this state. The sections which pertain exclusively to elections in the city of Philadelphia we do not publish. Let every voter, "Republican" and Democrat, read this outrageous and expensive system of exercising the right of suffrage, and then remember that it was concocted and brought about by a radical legislature to hamper and harass the white freemen of the Keystone state.

LEGAL ADVERTISING.—The law requiring legal advertisements, such as Executors' and Administrator's Notices, Orphan's Court Sales, Auditors' Notices, &c., to be published in the two papers having the largest circulation, has been changed. As the law now stands, it requires the publication of all legal notices in *two papers, one of each political party*. Of course this makes the GAZETTE one of the mediums through which all such advertising must be done. Administrators, Excutors, Auditors, &c., will please take notice. w3

The Boston Temperance Alliance has invited Wm. B. Spooner to resign the Presidency of the organization, because he favors the exemption of cider and lager beer from the prohibitory liquor law.

A committee of prominent business men in St. Louis has been appointed to go to New Orleans for conference in regard to the grain movement now on foot.

PHILADELPHIA.

[Correspondence of the Bedford Gazette.]

PHIL'A., May 5th, 1869.

MENDELSSOHN.

We left off last, as we were putting on our hat and gloves for the Musical Fund Hall, where the Mendelssohn Society were to give the third grand concert for the season. When this society says the concert will be grand, you will feel it all through you!! I missed the first piece—the reason, you know, it takes a lady *so* long to put on her bonnet and gloves—but the next was from the Old Master himself, solo and full orchestra, the first by Miss Fannie Keine. We were carried by storm by Mrs. Goodman and Miss Orlina Cunnington. The latter sings with great effect, and was so pretty and dressed so beautifully simple, that you could not resist her power. We believe that there are parlors in this city that have as sweet nightingales as ever came across the sea, nor do we think that everything is the best thing because it is foreign. The selections were all from the best masters, and the corps of artists of high order. The concert was enjoyed by a large and enthusiastic audience. The musical director, Mr. Jean Louis, was complimented with a speech and beautiful testimonial, the latter from the ladies, of course.

RED MEN.

This order is getting up a parade for the 12th inst. Since the late one by the Odd Fellows, quite a spirit has been aroused in this direction, and we shall expect to see something fancy, as the Red Men go in for fun, finery, fancy and frolic, while we will wait with wonder, watching what will proceed from pensively puffing the pipe of peace. This order is the oldest in the United States except the Masonic. The parade is in honor of the birth of Tammany, the Indian chief.

THE RINK,

on Race and 20th st., was burned last Thursday night. Its capacity exceeded that of any other building in the city. It was here the Odd Fellows held their ball, and Gough was to have lectured this week at 10 cents per head, expecting to have an audience of ten thousand. It has been used for a velocipede riding school, and had been in use on the night of the fire. The loss is very heavy, but as it was owned by a company and partly covered by insurance, can easily be rebuilt. Its dimensions were 150 feet by 300 feet.

LINCOLN MONUMENT.

The trouble is where to put it. Not that ground is scarce, but the up and down towners each want it to grace their own section. Now, as Washington is also to have a statue, let us take the vote, so each has its share of honor. We would rather see Father Abraham in the White House to-day than standing on a marble base, and better would it be for the integrity and happiness of our country.

THESE NOTES

are stopped on the sudden. Our old friend Jere E. Black, of Schellsburg, drops in on us, and we throw away pen, paper and upset our ink bottle and lay back for an old-fashioned talk.—Pipes for two. Load them heavy and strike a match. Mr. Editor allow me to say, for the present, adieu.

LINDEN.

CRUELTY TO ANIMALS.—The act passed by the last Legislature of our State to prevent cruelty to animals will commend itself to general approval. It provides for the punishment of any person who shall wantonly or cruelly ill-treat, overload, beat, or otherwise abuse any animal, whether belonging to himself or to another, or who shall in any way be concerned in fighting or baiting any bull, bear, dog, cock or other creature. The abandonment in any public place of any maimed, sick, infirm or disabled creature is also to be punished. The penalty for disobeying the law is for the first offence a fine not less than ten nor more than twenty dollars, and for the second, and every subsequent offence not less than twenty nor more than fifty dollars. The informer is made a competent witness and receives one half of the fine, and the county where the offence may be committed the other half. The proceedings are summary, and the offender, in default of payment of the fine and costs can be committed to the county prison until discharged by due course of law, which amounts to the three months required under the insolvent laws. When the fine exceeds ten dollars, the efendant may appeal to the Court of Quarter Sessions, where the offence is to be prosecuted as a misdemeanor. In aggravated cases, the defendant may be bound over for trial at the Quarter Sessions, where on conviction, he is liable to a fine not exceeding two hundred dollars, or to an imprisonment not exceeding one year, or to both. The necessary expenses of taking charge of animals transported in an inhuman manner, or of removing and destroying disabled creatures, can be recovered from the owner in a suit at law.

MARVELOUS INDUSTRY.—It is scarcely necessary at this day to say anything in praise of *Webster's Unabridged Quarto Dictionary*, 1840 pages, and 3000 engravings. Having come into possession of a copy of the latest edition, we cannot refrain from expressing our admiration at the marvelous industry and learning which such a book must have called into demand. In the book line, this Dictionary deserves a place among the triumphs of the century. The publishers' part of this ponderous volume has been done with a beauty and substantialness which also deserve special commendation. "Reading the Dictionary," with this edition of Webster before you, is exceedingly interesting pastime. A copy of it must certainly be considered to belong to the appointments of every intelligent family. Its cost is $12, but it is cheap at that price.—*Moravian.*

Extract of a letter from Jerusalem.

"We started early to ascend Mt. Olivet, to behold the sun gild the minarets and towers of the devoted city, from the place where memory, stirred by a thousand associations should exalt the mind as well as the eye to the inspiration of the scene. Well is the voyager repaid for long travels, horrid roads, antediluvian cookery, squallid companionship and the importunities of begging, thieving Arabs. Well would it have repaid you, oh! man of commerce and the crucible! and well might you been reminded of your own city, for here mailed against one of the hugh ancient olive trees, under which the sacred martyrs toiled for the sins of the world, eighteen hundred years ago, were these familiar figures, S. T. 1860—X. We do not know who did it, but no doubt some poor invalid traveler, cured by the Plantation Bitters, wished to advertise their virtues in a place from whence all knowledge flows."

MAGNOLIA WATER.—Superior to the best imported German Cologne, and sold at half the price.

Exceedingly fine—the weather.

Remarkably dull—the marrying business.

Hay is selling for $20 a ton and is scarce at that.

Bonnets, this season, are reduced in size and increased in price.

Read the new advertisements in to-day's GAZETTE.

A special court will be held commencing on Monday, July 19th.

The only sure remedy for gaps in young fowls, is Heckerman's Poultry Cure.

The organ-grinder was in town the other day. His occupation's nearly gone—*ausgespeilt*.

A number of houses have received a new coat of paint and are looking as bright as new.

H. Heckerman & Son have a sure cure for the gaps in young fowls. 25 cts a box.

New three cent stamps after passing through post-offices, look like pugilists after a prize fight—both black and blue.

May parties are now the spring fashion among all our young folks who are fond of fields, forests, fragrance and flowers.

Ladies are to wear silver and gold dust in their hair this summer—and any one who don't get up and dust will be ruled out of fashionable circles.

Brass and Porcelain kettles, all sizes, at the new Hardware and House-furnishing Store of Jno. F. Blymyer, next door to G. R. Oster & Co.

If your young chickens have the gaps, go at once to Heckerman's drug store and buy a box of their Poultry Cure.

A convention, to be composed of delegates from the different lodges of Good Templars in the West Juniata District, will be held at Bedford on the 18th of May.

COUNTY SUPERINTENDENTS.—J. B. Holland has been elected County Superintendent in Blair county; W. H. Sanner in Somerset, and W. P. Gordon in Fulton.

A law was passed by the Legislature, requiring all persons who sell patent rights, to get a license from the Commissioners of each county. A heavy penalty is incurred by disregarding the law.

We saw the other day a car load of corn brought to this place by a train of ten wagons. It had been shipped to Mt. Dallas from Pittsburg. This is rather bad for Bedford with plenty of corn in her graneries.

If you desire to purchase a first class article of goods, at a price to suit the times, go to Hartly & Metzger's store. None but the best of goods sold, and no misrepresentations made. We know this to be so.

J. M. Cooper, Esq. of the Chambersburg *Valley Spirit*, dropped into our sanctum on Monday morning, looking as hale as in the days of "Auld Lang Syne." May he long live to do battle against radicalism!"

The Bedford *Gazette* rejoices in the occupancy of a three story brick office. The *Inquirer* office, immediately adjoining, has more *stories* in it than you can shake a stick at.—*Hollidaysburg Standard*.

Jes so, Bro. Traugh. Call and see us. Soda water for two.

IT FADES.—The beautiful violet ink so much in vogue at present eventually disappears entirely. Persons should be careful not to use it in writing notes, bonds, mortgages or anything that is *to* be preserved any great lenght of time. For these purposes good black ink is always the best.

Our readers should remember that Irvine's store, No. 2 Anderson's Row, is the place to buy good boots and shoes and buy them, too, at reasonable prices. Irvine drives his business and does not suffer his business to drive him. Call and see him.

ROBERRY.—The store room of Mr. Richard Langdon, at Riddlesburg, was robbed last week by some villian who gained entrance by breaking open the bars which secured the cellar-door. The money drawer was opened and a pocket-book containing about $56, the most of it in notes, were stolen.

LARGE TAPE WORM.—Sometime since a little girl living in the family of Mr. Hertz Keiser, manifested frequent evidence of indisposition. A few days ago Dr. Brubaker was called to see her and from the symptoms pronounced it tape-worm, and prescribed accordingly. About twelve hours after taking the medicine, she was relieved of a tape-worm 18 *feet in length*, and is now doing well.—*Somerset Democrat*.

Somerset has a sensation—nobody killed, nobody runaway—its only a Velocipede. Say, you Bedford fellows, are you *ever* going to get a velocipede? —*Somerset Democrat*.

Not if we can help it. We are too busy, just now, hunting up our spare change to build a railroad. In the meantime your folks may get astraddle, paddle and skedaddle.

Later—by Velocipedegram. The "masheen" has "arrive." The little boys "laugh to see the sport" of overgrown youths tumbling over the moon-shaped means of locomotion of the villainous velocipede. Everybody is excited, and we can't write locals.

A CARD.—*To the Democratic Voters of Bedford County.* Gentlemen:—I hereby respectfully withdraw my name as a candidate for nomination for County Tresurer. To my friends who have seen proper to urge my claims for that office, I am very thankful; and if at some future time I shall offer myself as a candidate, I trust to merit their support. H. F. IRVINE.

BEDFORD May 14.

SPRING ELECTIONS ABOLISHED.—The 15th section of the Registry Act, published on the first page of to-day's paper, changes the time of electing city, ward, borough, township and election officers; and hereafter, those officers will be ballotted for on the same day in October on which the general election is held. No election, however, will be held for assessor and assistant assessors until the October election, in 1870.

HORSES Stolen.—Two horses, belonging to Mr. Neff and Mr. Hugh Johnston, of Greentree, this county, were stolen on Saturday night, the 24th ult. The thieves were pursued and overtaken on Monday night near Coplin's hotel, about ten miles from Philipsburg. The thieves made good their escape by jumping from the horses and taking to the woods.—*Huntingdon Globe*.

CASH OR PRODUCE.—H. F. Irvine, of the Regulator, has determined to sell for cash or produce only, after the 1st day of June, next. In other words, he has adopted the Cash System. Irvine is an enterprising merchant and deserves to be sustained in this new enterprise, especially as he promises to sell goods from 10 to 15 per cent cheaper than he could do under the credit system. See his advertisement under head of "New Advertisements."

VELOCIPEDES.—Bedford has been relieved from the dignity of dullness.

She has a velocipede—a real genuine Yankee velocipede—in fact, four of them!

Think of it! Four velocipedes in Bedford, the town ablaze with amaze, and the reservoir only half full of water.

"Can these things be and overcome us?"

Yea, they can; for the velocipede overcometh muchly.

We saw it overcome a young friend of ours, greatly to the disparagement of his trowserloons.

"See what a rent the envious Casca made!"

The velocipede has come; it has been seen by a curious throng, but at the present writing it has not been conquered by any yeoman, or any other man, in this bailiwick. Not by a big jug full.

This is a progressive age but a velocipede takes up a progressive iedea and scatters it all over the floor. It won't entertain a notion adverse to its idea of locomotion.

Velocipedes are not to be trifled with. They knock the pins out from under you while you are trying to coax them into go-ahead-itiveness.

Cruel, inanimate animule!

Snooks, who has been to see it, says the velocipede is too juvenile to travel. It can't stand alone. Snooks is disgusted.

Hezekiar's experience with his famous floppin' machine was not more disastrous to that ambitious individual, than the repeated attempts of some fellows we wot of, to ride the vicious velocipede.

They flopped. And great was the bone-aching thereof.

We hear strange tales about velocipedism. A velocipede is to be purchased for the use of candidates. They expect to go it faster.

"Our" member is to get on it, and hopes to secure a re-nomination to Congress in that way.

He is going around by the post office. It is a near cut—a cut off your nose.

Velocipedes and skating are too many for us. We tried the latter once, and in a second we were on our back studying astronomy.

We saw more stars in five minutes than we ever beheld with the naked eye before. It was a glorious sight, but we never felt inclined to repeat.

Velocipedes are a big thing on ice—Skating is ditto.

THE POST OFFICE AGAIN.—To show what John Cessna's conduct in the post office embroglio, in this place, is thougt of by our neighbors, we clip the following from our exchanges:

We cannot understand how a man can ask the people to be allowed to represent them, and *promise* to *represent* them, and then turn around and *misrepresent* them. It has become too common within the last few years, for our Senators and Representatives after election, to entirely ignore their constituents, and engineer in their own interests, for a *renomination*. In fact it is becoming *unbearable* and the only way to put an end to the evil, is, for the organs of the party, to denounce such outrages. This matter has been brought home to us in our own district. In the town of BEDFORD, the citizens ballotted for the postmastership of that place, and decided in favor of Mr. Russell. We know nothing personally of Mr. Russell, but take it for *granted*, that he is a gentleman well *qualified* for the position, or the citizens would not have selected him; but what was the result of the peoples' expression. In place of carrying out the will of the citizens of Bedford, our Representative, Hon. John Cessna, had MAJOR WASHABAUGH, appointed postmaster, and Mr. Russell, set aside. This we deem an outrage, that admits of no palliation. Who is Major Washabaugh, that he must be thrust upon the citizens of Bedford, to the exclusion of Mr. Russell? Why, sir, he is a worn out politician, who has had an eye open for office ever since he came to Majority, and who has never had sufficiently the confidence of the people but once, to secure their support. What was the object of Mr. Cessna, in *misrepresenting*, the people of Bedford, by the appointment of Washabaugh? It is well known that Major Washabaugh heretofore has been the inveterate *politcal enemy* of John Cessna. Mr. Washabaugh therefore became Mr. Cessna's supporter last fall because he thought he might be fed from the crumbs that fell from the "rich man's table." Major Washabaugh no doubt was promised Mr. Cessna's support for the State Senate, but not succeeding it became necessary for John Cessna to give him this office to keep him in trim for 1870. If Hon. John Cessna expects to pave the way for his *renomination* and election, by putting men in positions against the will of the people,—men who do not retain the confidence of the Republican party, he will find that he has made a great mistake.

Mr. Cessna should remember that he was *barely* elected after great efforts by those who were his *first* supporters, and that he was expected to make a *faithful* representative and would carry out the will of his constituents.—Thus far he has entirely failed, and unless his conduct hereafter comports more with the will of the people, those who were his strongest supporters, will entirely ignore him. One of the strongest supporters Mr. Cessna had last fall was Jere Cook of the 'Repository' and his strongest foe previous to the *nomination* was Ed Scull of Somerset. Yet the other day, Ed Scull, was supplied with a *good fat office, if he would support him in* 1870, *we suppose*, and Mr. Cook was left out in the "cold." We do not know that Mr. Cook was an applicant, but he should have received the appointment without asking for it.

If Mr. Cessna desires a *re-nomination* we know of no better way of *getting* it than carrying out the *expressed will of the people*, but if he thinks he can do it by any other course he is perfectly welcome to try it.—*Fulton Republican*.

The town of Bedford affords a striking example of the manner in which the radical office-holders regard the will of the people, even the radical people. The people of Bedford held an election for postmaster at that place, and the choice resulted in a Mr. Russell, former clerk in the office, by nearly two hundred majority. It was therefore considered by all parties that Mr. Russell's appointment was a foregone conclusion. But John Cessna, disregarding the expressed will of his own party friends, had a Mr. Washabaugh appointed. Cessna's record is known to all, and the people who voted for him should not complain if he ignores them in the distribution of his official patronage.—*Somerset Democrat*.

The Bedford *Gazette* charges that somebody else than the Postmaster at Bedford, outside of the Post Office altogether, is to receive *three hundred dollars per annum* out of the proceeds of the office. Who is the lucky fellow? Is it some vigorous rival of the winning man? Or have the Post Offices in the District been farmed out?" It cannot be the latter, for our Congressman is too *pure* for that. At any rate, *twelve hundred dollars* for the term on *one* Post Office, is a sum "not to be sneezed at."—*Valley Spirit*.

THE NEW NICKEL COINS.—The denomination of the new coins are to be one, three and five cents, and they are to be composed of one-fourth nickel and three fourths copper. The one cent coin is to weigh a grain and a half, and will be about the size of the five cent silver coin, which some of the existing inhabitants of the United States will recollect to have seen. The three and five cent pieces are to be about the size of the one and two cent coppers now in use, and will weigh respectively three and five grains. The new coin is to be legal tender for a dollar, except for duties on imports, and all the existing nickel and copper coins will be withdrawn.

WHO CAN CAST THE FIRST STONE?—It is a great misfortune to have a disposition that carries cold and dampness wherever you go; but unless some-body tells you of it, and you are put upon an examination of yourself, and led to say, "is my taste so exacting, is my pride so exacting, that when I go where people are it is as if a frost had fallen on them?" you will never suspect it, nor take steps to remedy it.

LET EVERY MAN, WOMAN AND CHILD READ THIS!

Their own interests are at stake in this matter. Everybody has suffered so much from the accursed CREDIT SYSTEM, if system it can be called, that I intend to offer to everybody a panacea for the evil in the future.

On and after the first day of June, 1869, I will sell goods EXCLUSIVELY FOR CASH OR PRODUCE. No doubt some customers may be lost to me, but I flatter myself that it will be only those from whom I cannot collect present accounts.

All goods will be sold at about one-half the profit now paid by consumers. The people often complain of Bedford prices being higher than elsewhere, and it is doubtless true, to some extent, for the reason that good customers have had to pay for others' goods with an additional profit on their own.

Let an intelligent community sustain me in this enterprise and they WILL SAVE FROM TEN TO FIFTEEN PER CENT. ON EVERYTHING THEY CONSUME.

may14m3 H. F. IRVINE.

NOTICE.—All accounts not settled by the first day of June, 1869, either by cash or note, will be put in the hands of an officer for collection. Friends will please take notice, and by so doing will save trouble and costs.

Sewing Machines.

$25! $25!

THE

AMERICAN SHUTTLE

SEWING MACHINE!

Is retailed at a price within the reach of all. This Machine uses a straight needle, makes the LOCK STITCH (alike on both sides), has a self-adjusting tension, and can do every variety of sewing. It will hem, fell, bind, cord, braid, seam, built, tuck, ruffle, and gather; and will work equally well on silk, linen, woolen, or cotton goods, with silk, linen, or cotton thread.

THE

AMERICAN SHUTTLE SEWING MACHINE

—IS—

Warranted for Five Years!

Our Agents will be supplied with duplicate parts of the Machine, in case of accident. It makes precisely the same stitch made by the Singer, Wheeler & Wilson, Howe, and Florence Machines. It has the Under-feed, like the best of high-priced Machines, and is the only low-priced Shuttle Machine in the market that has this feed. We are enabled to sell a first-class SHUTTLE MACHINE at a very low price, on account of its Simplicity, and consequent low cost of Manufacturing, in comparison with Complicated Machines.

AGENTS.

We wish to arrange with Agents, male or female, to represent the American Shuttle Sewing Machine, in each State, County, and Town in the United States and Ontario. Extra inducements to Experienced Agents. For full particulars, as to Salary or Commission, address

G. V. N. ANDREWS,
General Ag't,
Detroit, Mich.

N. B.—For the benefit of our Agents we have arranged with parties who have goods suitable for Sewing Machine Agents to sell. We will send BOOK OF SAMPLES and full particulars on receipt of one red stamp. Address G. V. N. ANDREWS, General Agent, Detroit, Mich. nov6y1

OUR NEW
FAMILY
SEWING MACHINE.

The superior merits of the "Singer" Machines over all others, for either Family use or Manufacturing purposes, are so well established and so generally admitted, that an enumeration of their relative excellences is no longer considered necessary.

OUR NEW FAMILY MACHINE,
which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the Best Sewing Machine in existence. The machine in question is Simple, Compact, Durable and Beautiful. It is quiet, light running, and
CAPABLE OF PERFORMING A RANGE AND VARIETY OF WORK
never before attempted upon a single Machine,—using either SILK, TWIST, LINEN OR COTTON THREAD, and sewing with equal facility the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are Novel and Practical, and have been invented and adjusted especially for this Machine.

New designs of the Unique, Useful, and Popular Folding Tops and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine, by all means to examine and test, if they can possibly do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be found in nearly every city and town throughout the civilized world, where Machines will be cheerfully exhibited, and any information promptly furnished. Or communications may be addressed to

NATURE'S GREAT RESTORER.

SCHEETZ'S
CELEBRATED
BITTER CORDIAL.

This medical preparation is now offered to the public as a reliable substitute for the many worthless compounds which now flood the market. It is purely vegetable, composed of various herbs, gathered from the great storehouse of nature, and selected with the utmost care. It is not recommended as a CURE ALL, but by its direct and salutary influence upon the Heart, Liver, Kidneys, Lungs, Stomach and Bowels, it acts both as a preventive and cure for many of the diseases to which those organs are subject. It is a reliable Family Medicine, and can be taken by either infant or adult with the same beneficial results. It is a certain, prompt and speedy remedy for DIARRHŒA, DYSENTERY, BOWEL COMPLAINT, DYSPEPSIA, LOWNESS OF SPIRITS, FAINTINGS, SICK-HEADACHE, &c. For Chills and Fevers of all kinds, it is far better and safer than quinine, without any of its pernicious effects. It creates an appetite, proves a powerful digester of food, and will counteract the effects of liquor in a few minutes.

PREVENTIVE OF DISEASES.

The ZINGARI BITTERS are compounded from a prescription of the celebrated Egyptian physician DR. CHEOPSUS, who, after years of trial and experiment, discovered the Zingari Herb—the most remarkable vegetable production, the earth, perhaps, has ever yielded—certainly the most effective in the cure of disease. It, in combination with the other valuable properties of which the Zingari Bitters is composed, will cure
Dyspepsia, Fever and Ague, Bilious Fever, Cholic, Colds, Bronchitis, Consumption in its first stage, Flatulency, Nervous Debility, Female Complaints, Rheumatism, Dysentery, Acute and Chronic Diarrhœa, Cholera Morbus, Cholera, Typhoid and Typhus Fever, Yellow Fever, Scrofula, Diseases of the Kidneys, Habitual Costiveness &c., &c.
In the PREVENTION and CURE of the above diseases, it has never been known to fail, as thousands of our most prominent citizens throughout all parts of the country will testify. Let the afflicted send for circular containing testimonials and certificates of those who have been cured after their cases have been pronounced hopeless by our best physicians.

AYER'S
HAIR VIGOR,
FOR THE RENOVATION OF THE HAIR.
THE GREAT DESIDERATUM OF THE AGE.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color and the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts longer on the hair, giving it a rich glossy lustre and a grateful perfume.

AYER'S CATHARTIC PILLS,
For all the purposes of a Laxative Medicine.

Perhaps no one Medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—

For DYSPEPSIA or INDIGESTION, LISTLESSNESS, LANGUOR and LOSS of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For LIVER COMPLAINT and its various symptoms, BILLIOUS HEADACHE, SICK HEADACHE, JAUNDICE or Green SICKNESS, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For DYSENTERY or DIARRHŒA, but one mild dose is generally required.

For RHEUMATISM, GOUT, GRAVEL, PALPITATION OF THE HEART, PAIN IN THE SIDE, BACK and LOINS, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For DROPSY and DROPSICAL SWELLINGS they should be taken in large and frequent doses to produce the effect of a drastic purge.

For SUPPRESSION a large dose should be taken as it produces the desired effect by sympathy.

As a DINNER PILL, take one or two pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these PILLS makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

We can speak of the merits of the Waters' Pianos from personal knowledge as being of the very best quality.—*Christian Intelligencer.*

The Waters' Pianos are built of the very best and most thoroughly seasoned material.—*Advocate and Journal.*

Our friends will find at Mr. Waters' store the very best assortment of Pianos, Melodeons and Organs to be found in the United States.—*Graham's Magazine.*

MUSICAL DOINGS.—Since Mr. Waters gave up publishing sheet music, he has devoted his whole capital and attention to the manufacture and sale of Pianos and Melodeons. He has just issued a catalogue of his new instruments, giving a new scale of prices, which shows a marked reduction from former rates, and his Pianos have recently been awarded the First Premium at several Fairs. Many people of the present day, who are attracted, if not confused, with the flaming adeertisements of rival piano houses, probably overlook the modest manufacturer like Mr. Waters; but we happen to know that his instruments earned him a good reputation long before Expositions and "honors" connected therewith were ever thought of; indeed, we have one of Mr. Waters' Pianofortes now in our residence (where it has stood for many years,) of which any manufacturer in the world might well be proud. We have always been delighted with it as a sweet-toned and powerful instrument, and there is no doubt of its durability; more than this, some of the best amateur players in the city, as well as several celebrated pianists, have performed on the same piano, and all pronounce it a superior and first-class instrument. Stronger endorsement we could not give.—*Home Journal.* jan15,'69.

AYER'S SARSAPARILLA,
FOR PURIFYING THE OOD.
The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.
Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this Sarsaparilla: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.
Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhœa or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless, and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.

Miscellaneous.

AYER'S CHERRY PECTORAL,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all are sometime subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known that we need not publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

AYER'S AGUE CURE,
For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and indeed all the affections which arise from malarious, marsh, or miasmatic poisons.

As its name implies it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of Ague medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate c
